Terms and conditions for Summary of warranties

- a. Proof of purchase in the form of original purchase receipt must be provided to claim any warranty.
- b. Where proof of purchase is not provided you will not be entitled to warranty.
- c. Where a product has been replaced under warranty, the replacement does not carry a new warranty period.
- d. The product replaced as warranty is warranted from the original date of the paid purchased product.
- e. Full list of warranty conditions is listed in the product "OWNER MANUAL".
- f. Freight charges are the responsibility of the home owner.
- g. Under no circumstances shall the manufacturer be liable for incidental or consequential damages, inconveniences or expenses in connection with the removal, installation or replacement of equipment.
- h. Under no circumstances shall the manufacturer be liable for damage caused to persons or property as a result of use of this equipment.
- i. Use with bore water may void warranty.
- j. Warranty extending beyond 1 year is not transferable.
- k. Puresilk standard models are not to be used at commercial or semi-commercial properties
- l. Warranty will be void if a Puresilk standard model is used in an application other than a domestic pool and spa.
- m. In-field Labour[^] (Domestic Installation) and In-field Labour^{^ ^} (Commercial Installation) only apply where location is within 30kms of an authorised service agent.

The following invalidates warranty:

- Incorrect installation.
- Failure to clean cell regularly and to the specifications listed in the "OWNER MANUAL".
- Misuse.
- Water in excess of 40deg C/113 deg F passing through the cell.
- Pressures exceeding 350kPa/50psi.
- Where used for a purpose other than that described in the "OWNER MANUAL".
- Operating unit at higher or lower than recommended salt levels.
- Freezing water in cell chamber.
- Operating unit on a pool volume larger than the maximum specified in literature for a tropical climate listed in the "OWNER MANUAL".
